Memories...
Light the corners
of my mind,

Misty Water Color Memories, Of the way we were

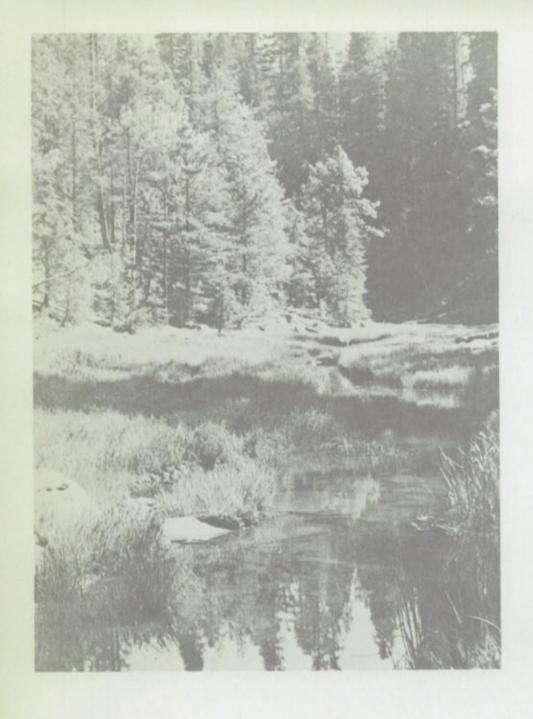

Scattered pictures of the smiles we left behind

Smiles we gave to one another of the way we were

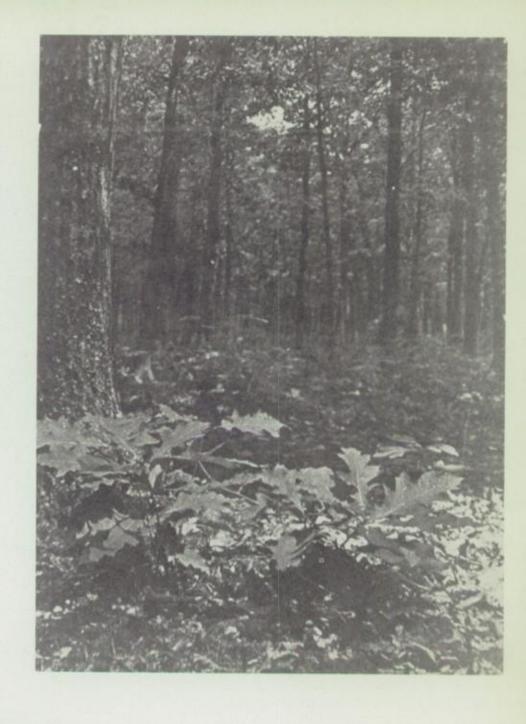

Can it be that it was all so simple then?

or has time rewritten every line?

And if we had the chance to do it all again,

Tell me would we? could we?

Al and Marilyn Bergman

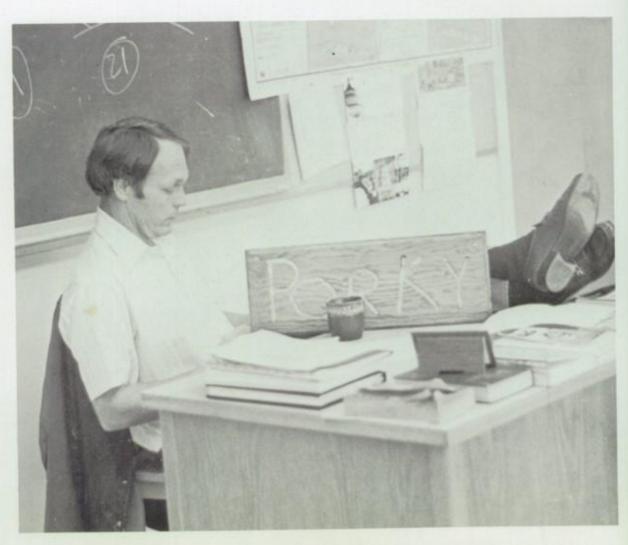

We Dedicate This To You,

We, the annual staff of 1978-79, wish to dedicate our annual to a man whose enthusiasm and obvious love for life has inspired many smiles, created many memories, and given him the trust and frienship of many students. Although he is most well known as a history and government teacher, this is only a portion of his activities. In the area of athletics, his main task is coaching the Varsity Football Team. It is apparent that he's very dedicated to and loves the Lord. He is one who does not easily quit or give up. He has been with us for 11 years now, this being his last. We will miss him very much, and want to take this opportunity to express our sincere thanks for always caring, and for simply just being there. We dedicate our annual to you, Mr. Van Hulzen, with much love and appreciation for everything you've done for Valley Christian High School.

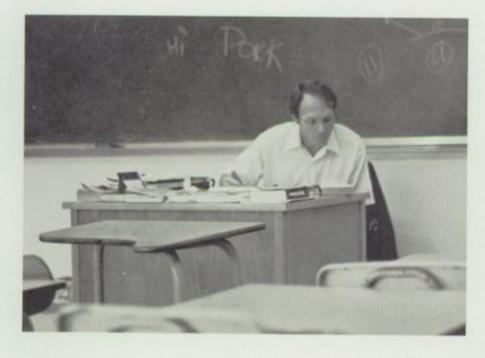

Van Hulzen

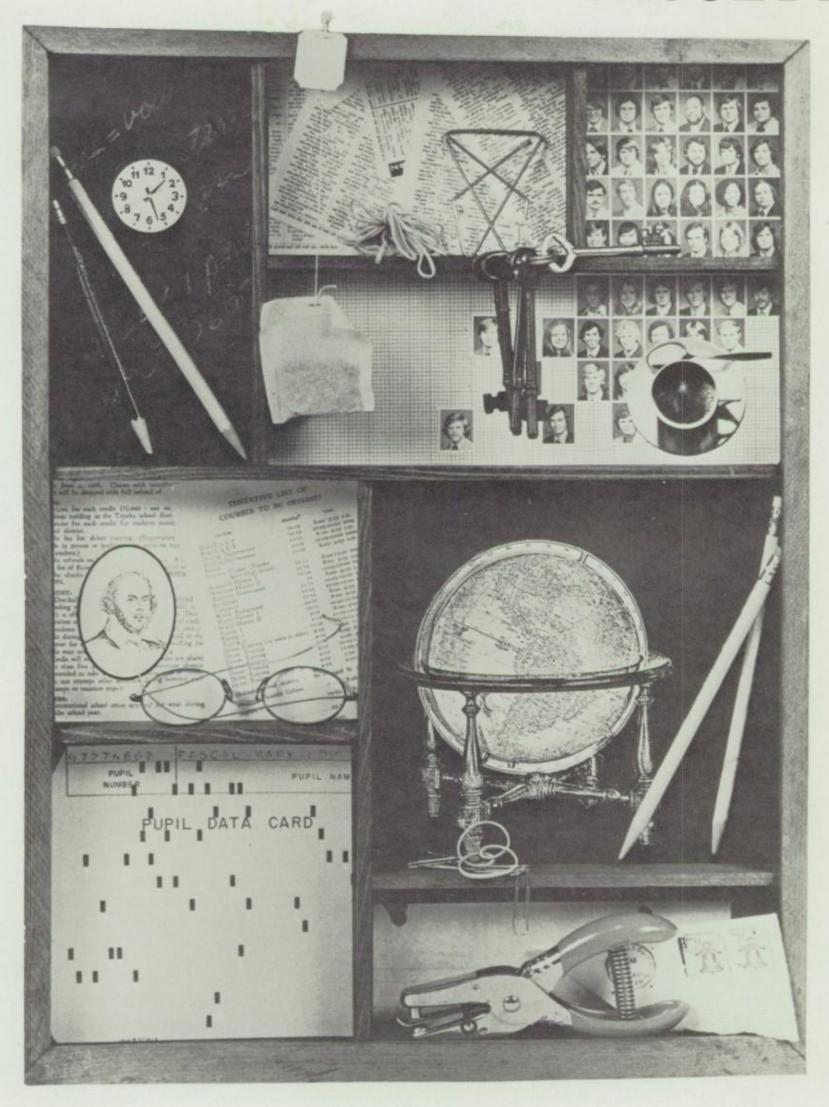

FACULTY

School Board

Every organization has to have directors who make the rules and make sure everything runs smoothly. Under the leadership of President John Bosma, the Board Members of the Bellflower Christian Schools did an outstanding job in accomplishing this. Making popular as well as some not so popular decisions was what it was all about for this years board members.

Over all, these men made the '78'79 school year a successful one.

Mrs. Leigh Murray

Mrs. Marian Le Febre

Offices

Keeping things running snoothly at Valley is no easy task. This big responsibility has been taken on primarily by five people. Mr. Keuning has the ever hectic job of being principal here at the high school. But he doesn't have to tackle it alone. He has the help of Mrs. Brink, his secretary. She does an excellent job keeping not only Mr. Keuning happy, but also the whole student body. Across the hall lies the office of Dr. Bootsma. His job, equally hectic, is being superintendent to the whole Bellflower School System. Mrs. Murray and Mrs. Le Febre assist him, and deal with the financial aspect of the school. We thank all of you for a job exceptionally well done.

Mr. Bruce Keuning

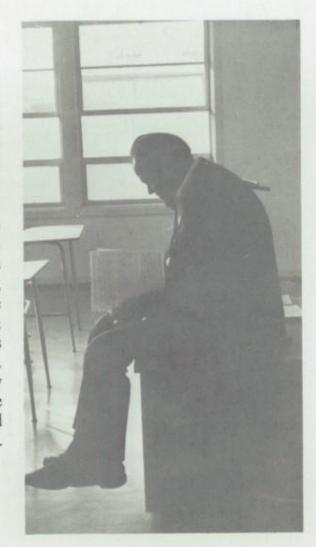

Dr. Ken Bootsma

Faculty

Having now been here for seventeen years, Rev. Boertje is as busy and active as ever. His estremely well-educated mind has taught many students a wide variety of subjects ranging from the Journeys of Paul to the Doctrines of the Christian Reformed Church. Besides teaching his daily Bible classes, Rev. Boertje is involved in the time-consuming task of being a sponsor of both the senior class and the Honor Society. Rev. Boertje believes that the best way to bring Christianity into the classroom is by teaching and example.

Rev. Paul Boertje

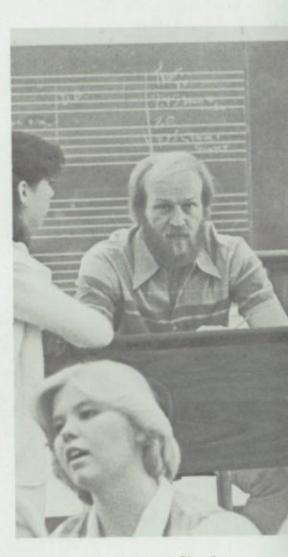

Taking care of Clothing I and II, Intro to Cooking,
Meals for Two and other domestic classes takes a
lot of time and preparation. By investing all her
time, Mrs. Brouwer has turned the home
economics department into her own little empire.
Besides her duties as a teacher, Mrs. Brouwer also
serves as the advisor to both the FHA Club and
the cheerleaders. Mrs. Brouwer strives to be a
Christian example to her students and treats them
with respect and Christian love.

Mrs. Betty Brouwer

Although she is new to the high school faculty, Mrs. Clevering is definely not without teaching experience. She has been teaching English and math courses at our own jr. high for over six years now. While teaching here at the high school, she taught classes from those same subjects as she did at the jr. high. This year, she taught classes in Gen. Math, English I, and Algebra I-A. She is well liked for her sweet disposition and warm smile. It is obvious that she is concerned about all her students, and wants to help them as much as possible.

Walking around campus, it isn't difficult to realize that Mr. Clousing is in the near vicinity. If the warm, booming voice isn't proof enough, the shrieking whistle is sure to give it away. Mr. Clousing's never-ending supply of energy and enthusiasm is very contagious among the students he comes in contact with. His extremely hectic schedule consists not only of a wide variety of classes at the high school and junior high, but also numerous extra-curricular activities. The choral department deeply appreciates everything Mr. Clousing has done for the betterment of all those involved.

Mr. Harold Clousing

Mrs. Kris Clevering

Mr. Stan Cole

After teaching 9 years, Mr. Cole still remains "King of the Hill" in the English department. Underneath the man of steel, there lies a heart of gold. Any student can experience a one to one relationship with him, since he tries to treat each one of his students fairly and charitably. The classes taught by Mr. Cole include various types of English, all of which aid in preparing the student for the life ahead. His other school activities include sponsoring the senior class, as well as directing the long awaited senior play. Indeed Mr. Cole leaves behind a rememberance in everything he does.

Easily recognized by all here at Valley, Mr. De Bie is one of the favorites among the students. He is liked by both faculty and students because of his bright personality and ever present smile. Not only is he an excellent history teacher, but he also is the fantastic coach of our number one varsity basketball team. We are very fortunate to have Mr. De Bie on our staff, and we hope to have him with us for a long time to come.

Mr. Harold De Bie

After many years of service here at Valley Christian, Mr. Eskes has become a favorite among the students. He is admired for his willingness to help his students and for his warm personality. It is evident that he is interested in his students as individuals as well as in their education. One can tell he loves the opportunity of being able to show God's existence in nature by teaching the biological and life sciences. Mr. Eskes is also involved with being the Science Club sponsor. We are very fortunate to have a man of his caliber and dedication at our school.

Mr. Don Gray

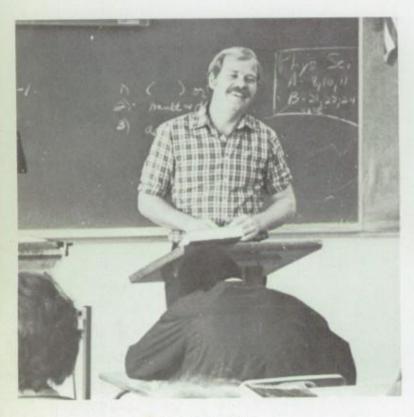

Once again, Mr. Gray has used his fine musical talents in producing an excellent band. Mr. Gray is totally dedicated to his work, always striving to achieve the goal of being the best band Valley has ever had. His casual friendly attitude has made him very well-liked among the students. Mr. Gray is always busy, rushing around between the grade school, junior high and high school. On top of all this, Mr. Gray is the minister of music at Bethel Reformed Church. But even as busy as he is, Mr. Gray shows genuine concern for all of his students.

Mr. Bill Eskes

Taking care of a large part of the business department is a very dedicated teacher, Mrs. Faber. Her classes include accounting, typing, general business, shorthand and record keeping. Mrs. Faber makes an effort of concentrating on each student. No student leaves the class without having a basic knowledge of the material covered. Mrs. Faber enjoys the friendliness and cooperation of the students.

Mrs. Fran Faber

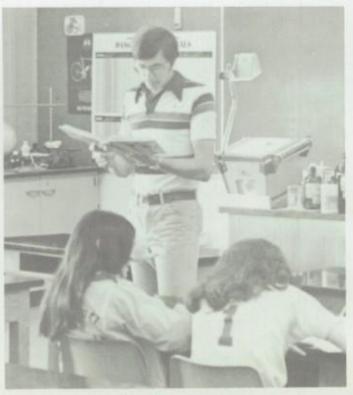

Mr. Brian Hibma

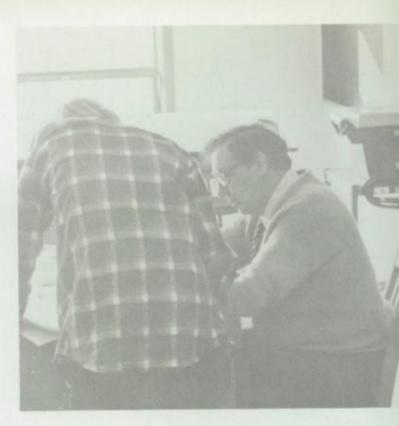

come in contact with Mr. Hibma are freshmen and sophomores. Mr. Hibma prepares students for future science classes by teaching physical, health, and earth sciences. He is also responsible for a geography class and drivers' education. Although Mr. Hibma teaches only a half day, he is still very well liked among the students as well as faculty.

Most of the students who

Teaching high school science seems like a difficult task for any teacher; teaching chemistry and physics seems almost impossible. But Mr. Hoekstra handles the job with ease. Mr. Hoekstra is known by all as our local "scientist". Now in his fourth year here, he has become well adapted to Valley life, teaching Freshman Science, Chemistry, and Physics. Mr. Hoekstra strives to show God's Power in all his science classes.

Mr. Norm Hoekstra

Mr. Faber is one person who is very needed, but often overlooked here at Valley. He alone is in charge of the attendence office and runs the canteen. Students might also know him as the teacher of drafting. Whether teaching, working on attendence or in the canteen, he always finds a way to keep our school running as efficiently as possible.

Mr. John Faber

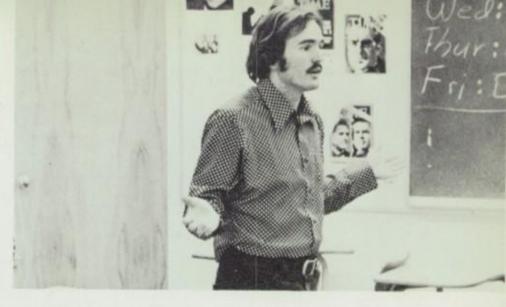

Known as the only teacher to stand on his head to prove a point, Mr. Hugan teaches geometry His fantastic (?) jokes and stories, coupled with his willingness to help anyone make his classe extremely enjoyable. He keeps very busy with being a pep and math club sponser, JV basketball coach, and junior class sponser. I doesn't take too long for anyone to realize tha Mr. Hugen is a very well liked person here a Valley

Miss Peggy Johnson

This year, Valley welcomes a young new teacher, Miss Johnson. Prior to coming to Valley, Miss Johnson held several interesting jobs out in Michigan. Miss Johnson then began a new career in teaching. Her classes include German, English, and literature. She also serves as sponser to the Gazette staff and German club. Miss Johnson likes the warm open atmosphere of a Christian school.

Being a man of talent, pride, and understanding, Mr. Kool uses imaginitive methods of teaching to make his classes favorites among the students. In football, soccer, and track, Mr. Kool has proved himself to be a determined and capable coach. Mr. Kool is also the sponsor of the pep and ski clubs. In his classes, Mr. Kool maintains a Christian viewpoint based on his own experiences.

Mr. Nick Kool

Rev. Knowles is a teacher who keeps busy instructing young minds in many different subjects. He strives to have students "learn to live together as Christians." Along with Spanish I, II, and III, he teaches Latin, Reformed Doctrine, and Great Chapters of the Bible. On the lighter side, Rev. Knowles is known as our faithful chess club sponser. We thank him for the many years of service he has given us.

Rev. Louis Knowles

Among the few remaining veteran teachers at Valley is a very gifted man, Mr. Le Febre. Mr. Le Febre has been a math teacher here for 17 years now. Not only does he teach courses in Algebra, but he is also priviledged in being sponsor of Valley's Math Club. But his services don't stop there. He is also the Discipline Hour Officer. In spite of this job, he is truly a favorite.

Having now taught at Valley for two years, Mr. Libolt has become very well known and liked among the student body. His friendly smile and outgoing personality have made him extremely popular with all. One can immediately sense that he is genuinely concerned with each student. Besides teaching a wide variety of Shop classes, Mr. Libbolt is head JV football coach, and is very involved in the big job of being a senior class sponsor.

Mr. Bob Libolt

Miss Mary Schutten

Valley has been graced with Miss Schutten's presence for three years now. Miss Schutten is in charge of Girls' P.E. at both the high school and Jr. High. The special activities in which she is involved include Varsity Volleyball and Junior Varsity Basketball. Miss Schutten is also the Girls' Athletic Director and sponsor of the Girls' Athletic Association. Miss Schutten is dedicated to her task and tries to show her students what a marvelous gift God gave them in their bodies.

No longer is the smiling face of Mr. Sjoerdsma new around campus. As each year goes by, he gains the friendship and trust of many students. Mr. Sjoerdsma shows a true interest in the problems as well as victories any student may have. He teaches a variety of English classes, along with being the cross country coach. Mr. Sjoerdsma's major goal here at Valley is to impress upon the students that they are made in God's image and therefore must use their talents for Him.

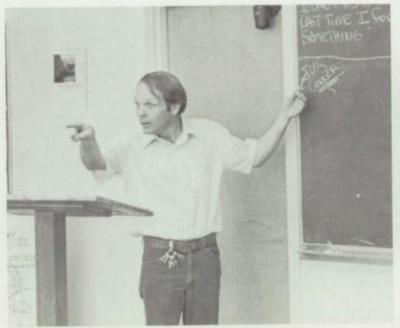

Mr. Gregg Sjoerdsma

Joining his brother here, Mr. Ron Sjoerdsma moved all the way from Iowa to take on the challenge of teaching. Even though it was his first year, Mr. Sjoerdsma was far from inactive. His main task was to fill in the vacant spot in the English department. As a coach, he was involved in Freshman soccer and JV baseball. Last but not least, he undertook the large task of being advisor to the Annual Staff. Mr. Sjoerdsma enjoys working with the students as well as faculty.

Mr. Ron Sjoerdsma

Mr. Gary Van Hulzen

deep knowledge of history and government. He teaches a wide variety of classes that range from U.S. History to American Studies. His positive attitude and jolly personality are what make students look forward to his classes. He is also our very devoted Varsity football coach, which is a job in itself. Mr. Van Hulzen is an excellent example of Valley pride, and we are proud to have him on our staff.

A friendly, smiling face is what Mr. VanHulzen meets everyone with at Valley. Behind his smiling face is a

For seven years now, Mr. Van Woudenberg has been with us at Valley. As each year goes by, he gets more and more involved with students and activities. Each student comes in contact with Mr. Van Woudenberg, who is head counselor. Along with this time-consuming job, he teaches a few Bible classes. As if all this isn't enough to keep him busy, he coaches the freshman basketball and varsity football teams. It's obvious that he is concerned with each of the students, as he is always willing to take the time to listen and help.

Mr. Loren Van Woudenberg

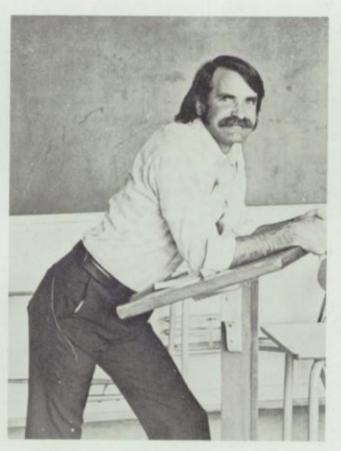

A large majority of the business classes are taught by Mr. Wassenaar. In addition to his teaching, Mr. Wassenaar's time is taken up with being sponsor of both Student Council and the Backpacking Club. Mr. Wassenaar has a high regard for the students here at Valley, but says there is always room for improvement. In each of his classes, Mr. Wassenaar emphasizes the importance of relating your business and financial life to your Christian life.

Mr. Dave Wassenaar

Now at the end of her seventh year here at Valley, Mre. Wilkie has become one of the most appreciated teachers on campus. Along with her remedial reading classes, she also serves as one of Valley's two counselors. She is loved by the students not only for her sweet disposition, but also for all the daily help she gives. She shows her Christian love through her dealings with students in all areas. One can easily see that she is totally dedicated to all she does.

Mrs. Pat Wilkie

Mr. Mike Wunderly

Although Mr. Wunderly is a new member of the highschool teaching staff, he is a familiar face to many of the students here at Valley. After six years of teaching P.E. and geography at the Jr. High only, he has now moved to teaching at the high school also. To top it off, he coaches both the Varsity Football team and the Varsity Baseball team. He is a man who is very dedicated to his work, and strives to show God's love to the students through everything he does.

Bus Drivers And Janitors

Two of the most important, but taken for granted jobs are those of driving the buses and cleaning the campus. If it wasn't for the bus drivers, a majority of the people would have trouble getting to and from school. But thanks to them we arrive on time and in perfect condition. Where would we be if we didn't have our janitors too? Their hard work and immaculate cleaning is well appreciated and something to be proud of. So to the bus drivers and janitors here is a thank you for a job well done.

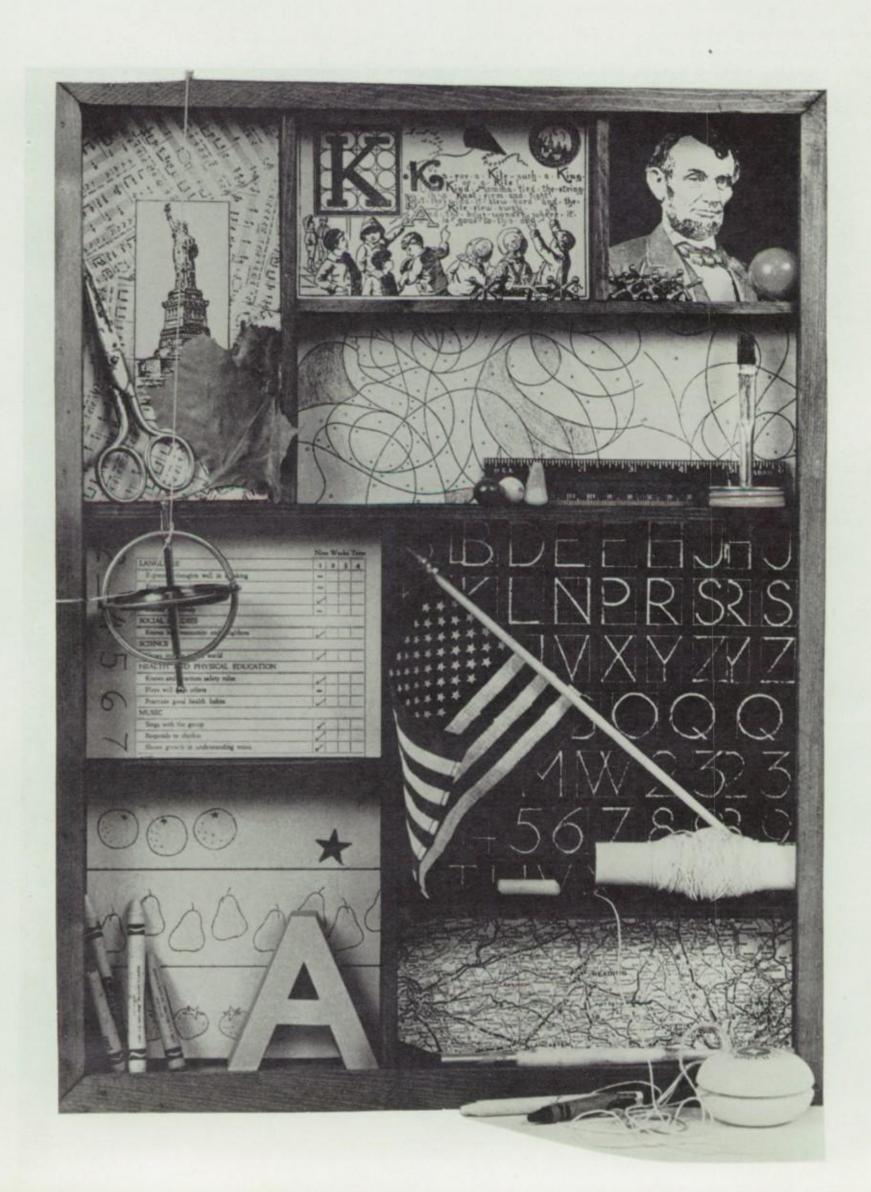

The Mulder Family

CLASSES

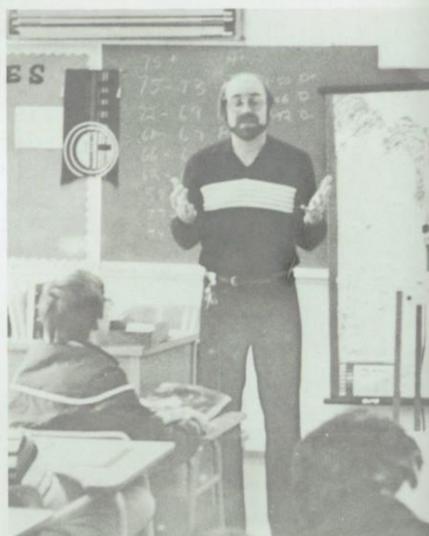

Bible

In a world that is run by computers, it is a comforting thought to know that we are "programmed" by God. Here at Valley, we distinguish ourselves from the many schools in the community by our numerous Bible courses. The comparison of different beliefs, along church history, and studying Reformed Doctrine are all essential parts of a young person's spiritual growth and development. Without these, one's faith is weak and could not stand firm when confronted by any of the numerous challenges. As we prepare ourselves for the future, the teachings of God should provide the motivation for all of our work.

History

Going back in time sometimes isn't very exciting, but with teachers like Mr. Kool, Mr. DeBie, and Mr. Van Hulzen, history comes alive. Freshmen experience the ups and downs of Geography, while Sophomores travel to Europe and Asia to learn about ancient civilizations in World History. U.S. History retells to the Junior Class the beginning of our country, its problems, and its praises to its present state of being. The Seniors in America Government, are given the story about how our country is run and what goes on in the White House. Each of these classes helps in opening the student's mind to the way ancient as well as modern civilizations have been established.

P.E.

One of the more appreciated classes taught here at Valley is Physical Education. This class has always been a favorite among the student body and this year was no exception. Students not only enjoy the class but also the instructors. These three dedicated people have produced a class which not only provides a break in the everyday routine of schoolwork, but also give each of its participants a chance to exercise, both individually as well as in team competition.

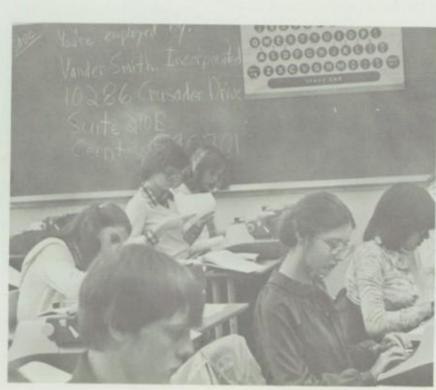

Vocational Arts

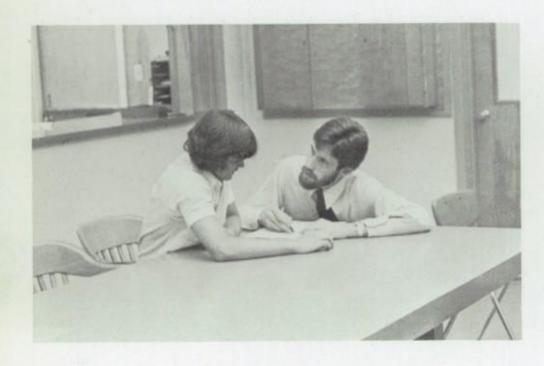

Vocational Arts consists of classes that teach the fundamentals of various types of jobs in the fields of business, home economics and shop. In business classes, students are taught accounting, typing, shorthand and operating office machines. Learning to buy the right foods, how to cook them and how to take care of a household is covered in home economics. Last but not least, shop takes care of working with wood and electronics, drafting is also included. All of these classes help students with hobbies and deciding on a vocation.

Math

Often considered one of the harder subjects by many students,
Math is a course which often takes up much of one's time paper,
and energy. From Algebra I to Advanced Math students must
spend countless hours everynight learning about the complex life
ahead. The logarithms, figures, planes, and seemingly neverending proofs of Geometry are just a few things that show that
Math is an important item in every walk of life. Although Math
requires precise and accurate work, it is still an interesting and
rewarding part of a students time.

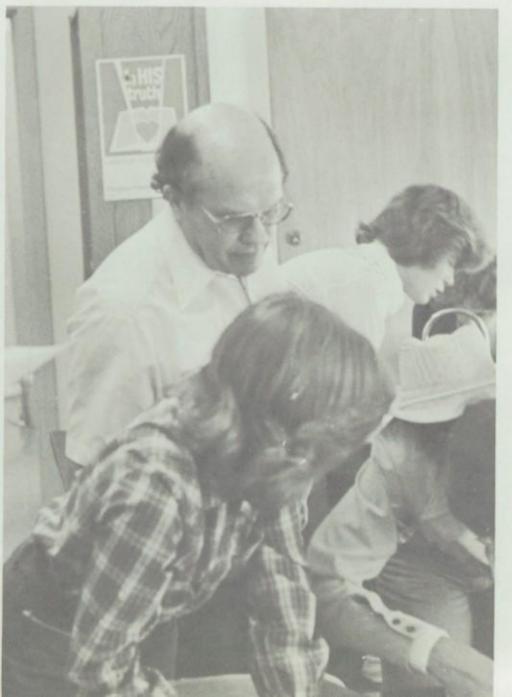

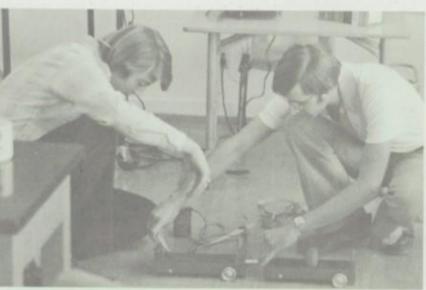

Science

Science is an area of knowledge in which our world is rapidly developing and excelling, as are many of the students at Valley, thanks to the efforts of our dedicated Science teachers.

Classes varying from Life Science to Physics and Chemistry are among those taught. Science is a subject that everyone will come into contact with later in life and the teachers here at Valley are doing a marvelous job preparing us for that future. Dissecting animals and mixing various chemicals together help us to understand how God has wonderfully made our bodies and the world. Although Science is not one of the most popular subjects among the students, the teachers manage to make the classes interesting.

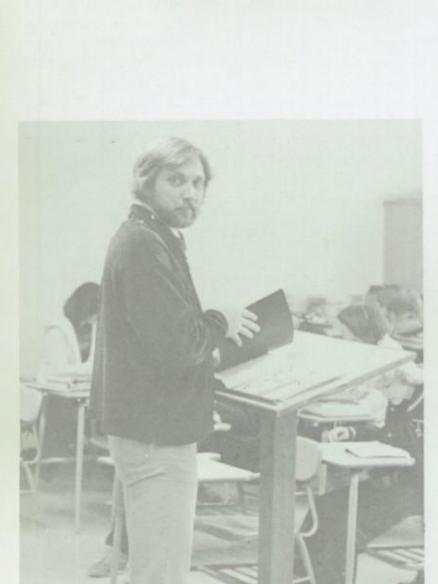

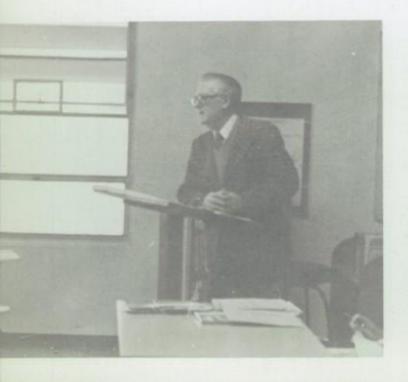

English/Language

Although learning the basics of grammer, writing poems and stories, and studying foreign languages is not always extremly popular among students, but it is still a very essential part of our lives. Writing helps us to express our thoughts and feelings, while learning a foreign language shows us how people from other countries live. Under the guidance of our patient teachers the students have learned to appreciate the value of the classes.

Check It Out

It was most recently brought to our attention that the Library is not just a Library any more. After much time, effort and money the Library has been transformed into a student learning center/media center. Mrs. Wassenaur, the Librarian, and her assistant Mrs. Lougee manage to keep the over \$50,000 dollars worth of new books and media equipment in top-notch condition. Included in the equipment bought were such items as film-strips and film-strip projectors, many new books, and a high speed tape copier. So if you haven't been in the media center recently, what do you say . . . go on in and check it out!!

Chorus'

The main goal of the Chorus classes is to prepare the underclassmen for the Acapella Choir and Madrigals. This year the class was divided into a Men's Chorus and a Women's Chorus instead of having a Concert Choir. Not only do the participants learn the techniques of singing, but part of the time is also dedicated to learning the basics of music theory. Although the two groups didn't give too many performances, they worked hard and improved steadily throughout the year.

Left to right: Mr. Clousing; Joyce Goedhart; Dan Goodman; Julie Van Gent; Rob Balkema; Dave Snapper; Sandra Sybesma; Ivan Zwart; Nancy Franken; Laurie Gritters; Danny Van Hofwegen; Bruce Scholten; Carolyn Le Febre; Greg Bootsma; Jim Feddema; Jean Walker; Liz Dragt

Madrigals

Once again, the people dressed in black and white have proven themselves worthy of the title 'Madrigal Singers'. Although much hard work was put into perfecting music, the members enjoyed every minute that was spent rehearsing. All this work definitely paid off, as the Madrigals had many significant engagements. Among their most prominent performances were the Music Center, the Speech and Music Festival, Century Plaza Hotel and Holland, Michigan. In all their performances, the Madrigals attempted to convey to the audience the love that they feel for music, as well as for the Lord for whom they are singing.

A'Cappella

Once again, the A'ccappella members have worked hard and put forth all their energy to praise the Lord through music and singing, but also in pleasing nearly everyone who has heard them throughout the year. It is only under the guidance of Mr. Clousing that the choir has had so many great performances. A'ccappella is one way of publisizing the school through church concerts and other various engagements. Through their music, the members give themselves the satisfaction of knowing the concert was a job well done.

Band

Where would Valley be without its band program? That question will always remain unanswered as long as there is a Valley Christian High School. The band, both concert and marching, add spice to where ever they perform. The marching band with it's reknown fame in parades received much deserved recognition. The concert band also had its moments of glory. Three major concerts were presented, each one better than the last. As a result of much hard work, new uniforms for the entire band were purchased. The highlights and goal for the year was a trip to Holland, Michigan for the Tulip Festival.

Pep And Stage Band

Although the majority of time in band is spent either preparing for concerts or parades, there are also two other sections that are very important. The stage band this year again established itself as one of the finest bands in the business. Performing for numerous occasions, the stageband put on many excellent performances. On the other side of the coin Valley's pep band helped stir the enthusiasm of the Crusaders. Present at the pep rallies and many games, the pep band really proved that VC has spirit.

ACTIVITIES

Harvest Festival

On a Bellflower Christian School Campus during the month of October, if you were to mention the words "good time", you would probably hear the words "Harvest Festival". The Harvest Festival is a means, for the mother's club, here at Valley, to raise money in a carnival type atmosphere. The Annual Harvest Festival Football game against Bell Jeff was one of the teams many victories this year. After spending an evening playing games, enjoying a good meal, eating Ole Bolen, and watching the football game, the Harvest Festival was once again a total success.

Powder Puff

This year, the annual Powder Puff Game was as rowdy as ever. There was the usual hair-pulling, kicking and hitting. For the first time in Valley's history though, the Sophomore-Junior Team beat the Senior Team with a score of 10-0. Although the Seniors put up a good fight, they couldn't match the strength that the Sophomores and Juniors showed. The exciting evening ended with the announcement of the 1978-1979 Homecoming Court.

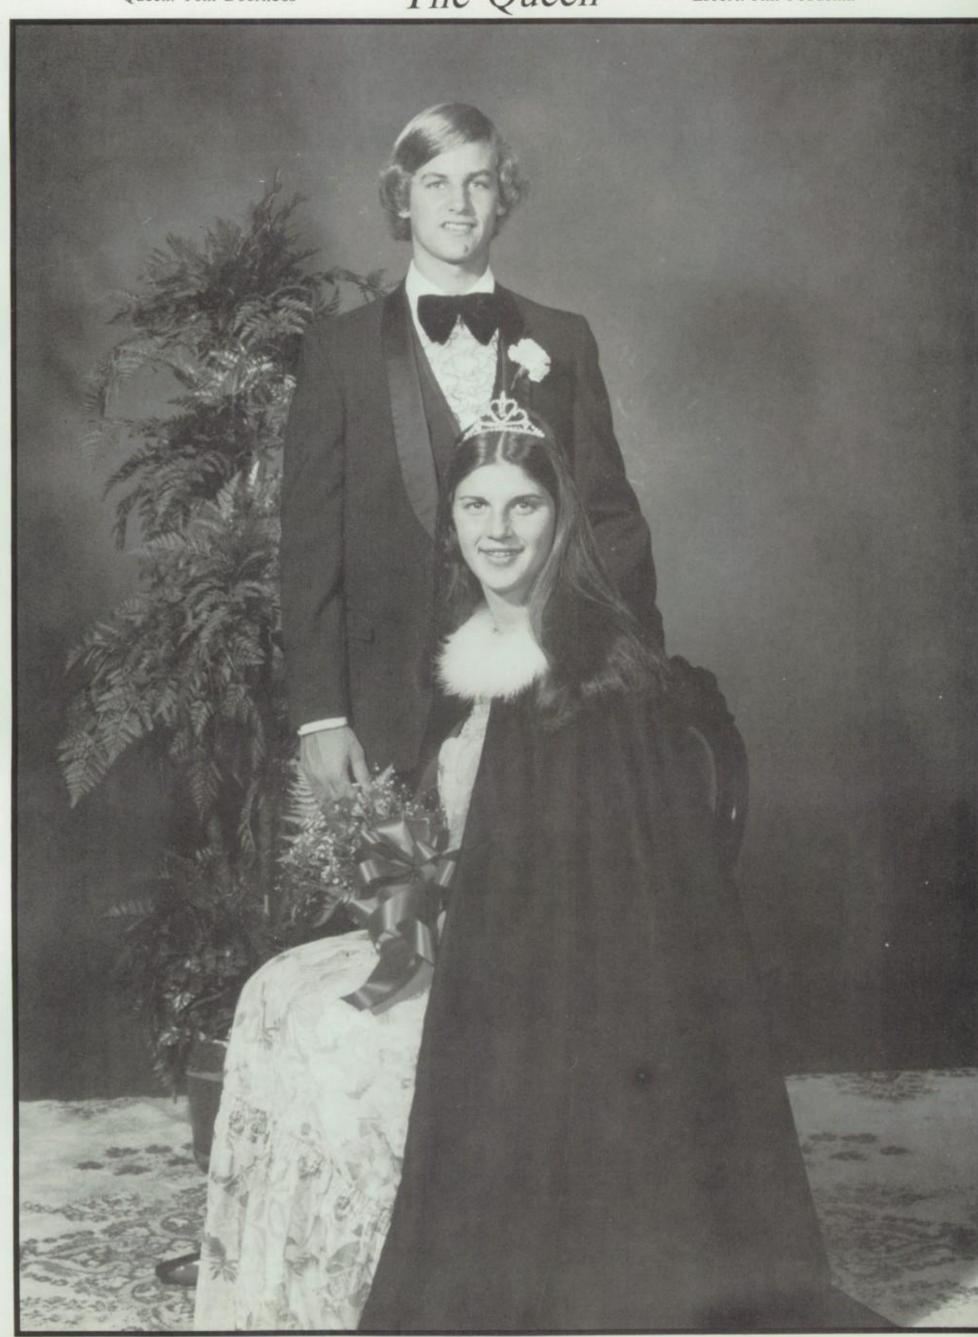

Her Court

Senior princess: Debbie Dykstra Escort: Ivan Zwart

Sophomore princess: Rhonda Rienstra Escort: Phil Templeman

Junior princess: Karen Lindsey Escort: Derrick Smith

Freshman princess: Shelly Sybesma Escort: Ted De Groot

Homecoming

This year Homecoming was full of memories that will never be forgotton. Memories of seeing those beautiful floats finally come out after working on them all night. Each of the floats represented a different country and followed the theme of "It's a Small World." The thrill of the evening was highlighted when seeing the five lovely members of the court being escorted by their proud fathers as MC Harold Lanting introduced them. All the lovely decorations, pretty flowers, and many people that were involved with this Homecoming helped to make it a night to remember. Also the renewing of old aquaintances and the thrill of the game contributed greatly in making the 1978 Homecoming a night to look back on with great satisfaction.

Spirit Week

Spirit Week is the time of the year to be yourself and show your creativity. Monday we went back to the fifties with the girls wearing bobby sox and bright red lip stick.

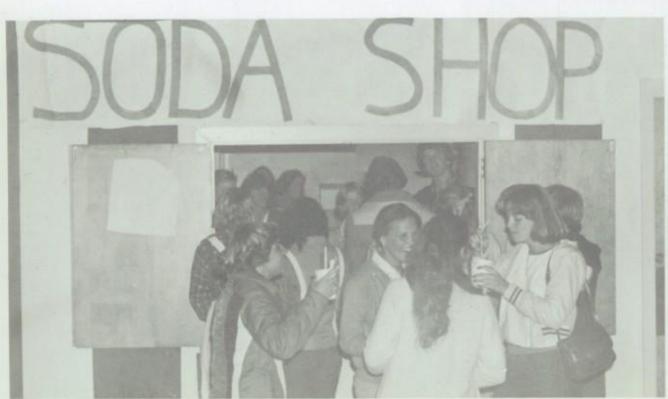

Things got turned around on Inside-out and Backwards day. On Wednesday, Little Kiddies' Day, suckers were sold to the toddlers found running around school. The Wild West was relived with many Cowboys and Indians on Thursday. To draw the week to a close, Friday was the traditional Maroon and Gold day. This week, truly was a time to be different, get involved, and have an overall good time.

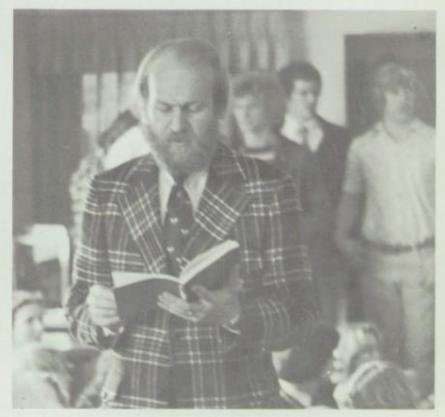

Thanksgiving And Christmas

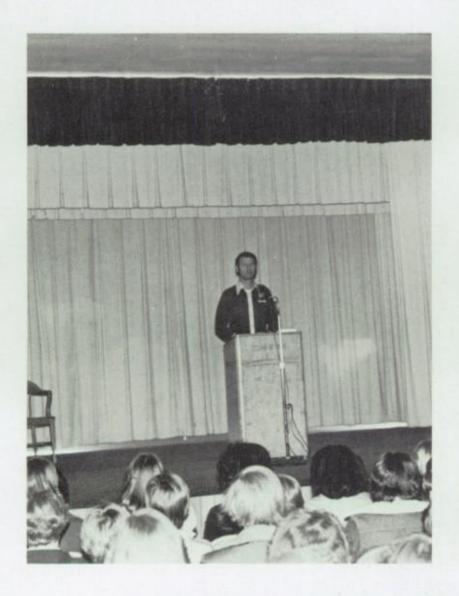

Thanksgiving and Christmas are two holidays in which we reflect on the many blessings God has given throughout the year. There are many ways we can thank Him, one is through worship services. This way was well represented during Christmas. The Acappella, Madrigals, Men's and Girl's Chorus and even the band used all effort to praise God. All groups conducted a truly meaningful service and all those who attended were deeply inspired by their beautiful voices and soft music. The Acappella Choir also presented a mini-concert at the Artesia Home during the Christmas Season. This proved to be a very rewarding experience for those listening as well as those singing.

Chapel

Many students walk into chapel every week, taking for granted that something of interest lies ahead of them in the next forty-five minutes. Little do they know of all the work that is put in each and every chapel. Under the guidance of Mr. De Bie, Mrs. Wassenaar, and Mr. G. Sjoerdsma, Dawn Dykema, Karen Lindsay, Kim Powers, and Sue Vander Plas carefully planned and arranged each chapel. There were many great chapels this year- speakers, skits, films, much music, much joy, much thought, and much praise to God. We wish to take this opportunity to thank the committee for a job well done.

CHAPEL COMMITTEE
Front row: Karen Lindsay; Dawn Dykema; Kim Powers. Back row: Mr. Sjoerdsma; Mrs. Wilkie; Mr. De Bie.

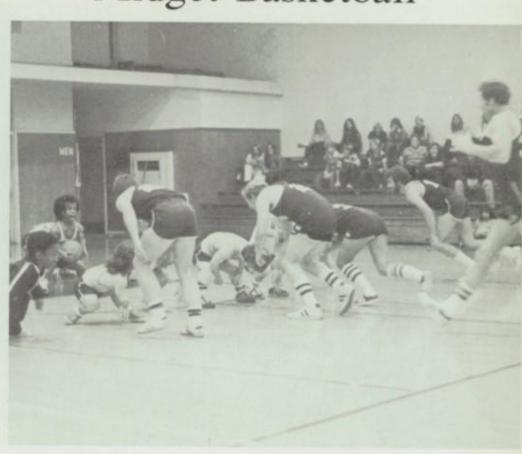

Midget Basketball

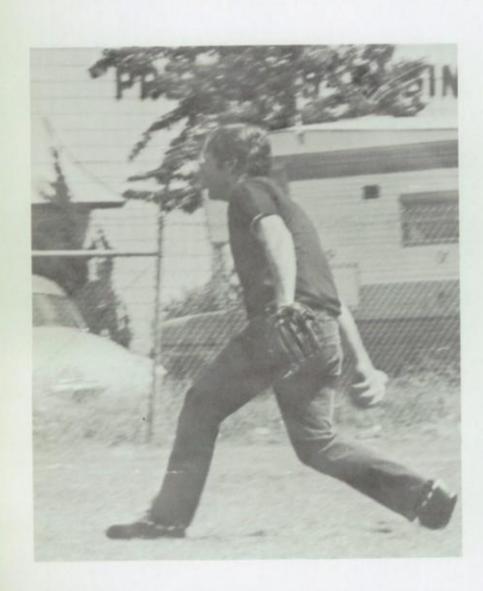

This year's Student Council came up with many kinds of entertainment. One of the most unusual was a midget basketball game. The faculty got the privilege of playing an all midget basketball team. Even though they were short, they proved to be good basketball players. They beat our teachers, even though we had Mr. De Bie and Mr. Hugen on our team. Since they were lacking in height, the midgets used other sneaky tactics such as pulling on the shorts of their opponents and hanging on to their legs. It turned out to be an interesting evening and definitely not 'short' on fun.

Baseball, Hot Dogs, Apple

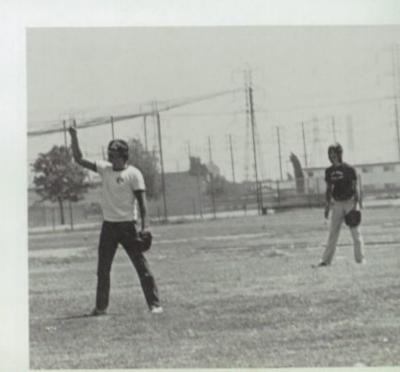

One of the special weeks of the year was All-American Week. And what could be more American than apple pie sales, an apple pie eating contest, (won in heroic fashion by Mr. Le Febre), hot dog sales, best Chevy contest, and finally the grand American pastime, a softball game in which the combined talents of the Freshman and Seniors overwhelmed the Sophomores and Juniors. Michael Smith played Howard Cosell, telling it like it was.

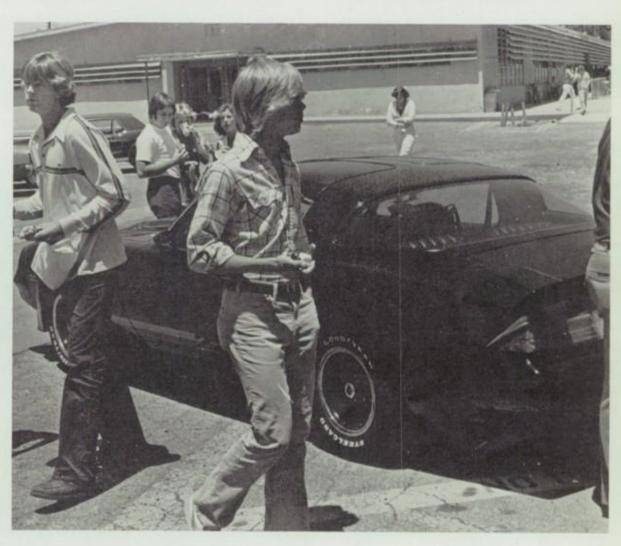

Pie, And Chevrolet Week

SAS Banquet

Once again, those students who excelled in academics, gathered with parents and faculty for the annual Scholastic Arts Banquet. Mr. Cole, the master of ceremonies, kept everything running smoothly, despite all the "jokes." A delicious dinner was served by the Mothers' Club. Following dinner, all the awards were handed out to the honor students. The evening was highlighted by the "Crystal Crackers," an excellent quartet from the Garden Grove Community Church with Mr. Clousing the bass. Their harmonizing and humor left the campus intellectuals and their proud parents in a blissful glow.

Senior Mothers' Tea

The sophomore class, advised by Mr. Gregg Sjoerdsma, produced a memorable edition of the annual Senior Mothers' Tea under the theme, "Reflections." As senior boys gallantly escorted their mothers and delicately pinned their corsages and fingered teacups, Jana Vander Molen gracefully presided as mistress of ceremonies. Senior Poll awards were doled out and the skit, "The Silent Alarm" was presented for the general merriment.

Jr. Sr. Banquet "The Renaissance"

Jr. Sr. Banquet 1979, The Renaissance. Held in the castle of Lord Bubba Van Vuuren and her majesty Queen Diane Koper, the banquet was a night of food, fun, and festivities. After a meal which was "fit for a king" the senior class was shown as they really were. Then awards were handed out to those seniors who, in the eyes of their peers, deserved them the most. After a short skit highlighted by the teachers and a prayer by Dr. Bootsma, the 1979 Jr. Sr. Banquet was only a memory, but a most enjoyable one.

Mixer

It was a hot, sweltering Friday afternoon here at Valley Christian High School. All seemed to be calm and quiet...and then it happened: The bell rang. At the signal, both the faculty and the entire student body, all of whom were dressed in casual clothing, raced out to the football field for the beginning of the Mixer. To start it off the classes formed the traditional V.C.H.S. on the field. After that representatives from each class participated in other various games. There were events from human pyramids, and human snakes, to the dangerous people passer. The afternoon ended with the annual tug-o-war. All in all, it was a very fun relaxing way to end the day.

Pep Rallies

Once again, pep rallies played an important part in arousing enthusiasm among the students. The Cheerleaders, under the guidance of Mrs. Brouwer, worked very hard to provide different and exciting pep rallies. Included in the pep rallies this year were events such as a hamburger eating, and toilet paper wrapping contests, numerous skits, and cheers. We wish to thank all those involved for their effort in this years rallies.

Twirp Week

One week out of the year, the male population here at Valley is blessed with TWIRP Week. (The Woman In Reverse Position). Both roles, male and female, are reversed and for the first time of the year the guys are the ones receiving attention. Some of the festivities included the delivering of dates and the selling of Crusadergrams. But highlighting TWIRP Week this year was Valley's own rendition of the Dating Game with Mark Van't Hul as Master of Ceremonies. Compliments of Student Council, three newly matched couples were off to a dream land trip to . . . Knotts Berry Farm.

ASB Election

Loud cheers, rattling of chairs, boos and hisses were the most dominant sounds at this year's Student Body Election Assembly. As each candidate approached the stand, all the students listened as he made his campaign promises, and then they either cheered him on or hissed him off. After all the promises had been made, it was time to vote. This year there was no competition for Lisa Doty as secretary or for Jim Zoetewey as treasurer. Competing for the offices of president and vice president were John Van Vliet and Phil Templeman on one ticket and Dale Struiksma and Jenny Ohls on the other. The ballots were counted and the new officers chosen. The ASB officers for 1979-1980 are:

Dale Struiksma - President

Jenny Ohls - Vice President

Lisa Doty - Secretary

Jim Zoetewey - Treasurer

"The Crucible"

Once again, under the skillful guidance of Mr. Cole, the senior class successfully presented the long awaited Senior Play. This year's class decided to break the long line of comedies, and chose to present The Crucible, a powerful drama about the Salem witch trials. Much practice and hard work was put into the ten weeks the cast spent preparing for the play.

Even though practices were very time-consuming, everyone agreed that it was well

Even though practices were very timeconsuming, everyone agreed that it was well
worth their time in the end. Two performances
were given, both proving to be very successful.
We, the cast and crew, wish to thank you, Mr.
Cole, for all the time and effort you put into
The Crucible.

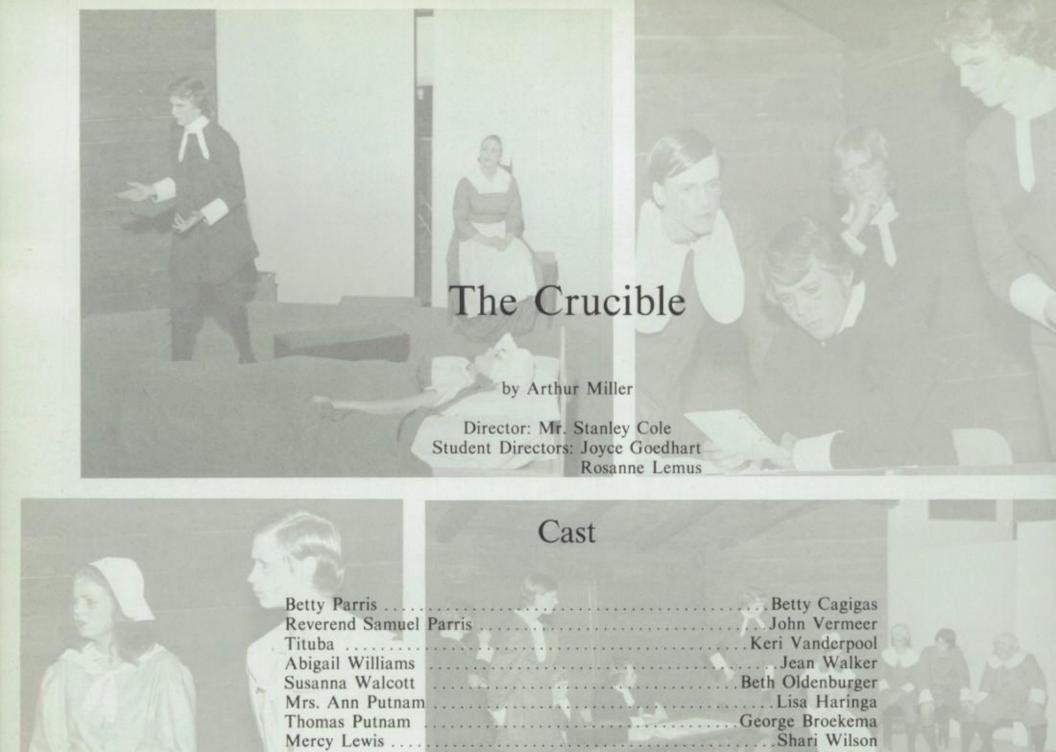

Judge HathorneJeff BrouwerDeputy-Governor DanforthMike BultsmaSarah GoodJoey Vander MeerHopkinsLes MulderMartha CoreyPaula Dekker

This year the tradition of the senior class going to San Francisco was broken. The class of '79 decided they would be different and go to San Diego instead. Thursday, May 24 started out with a senior breakfast at Coco's. The class then took off for San Diego on Amtrack. The day was spent at the Hilton Inn. The hotel gave us use of all their swimming, boating, and other recreational facilities. That evening the hotel furnished a luau for the entire class. Included was just about every type of food imaginable! The day was finished off with a plane trip back to LAX. All in all, it was a great day, one that brought the class even closer together.

Tulip Time Trip

This year, Valley's Crusader Band and Acappella Choir were honored with an invitation to represent the West coast in Holland, Michigan's 50th Tulip Festival. After much planning and fund raising, the long awaited date arrived. The group was flown to Chicago, then transferred by bus to Hope College, their home away from home. The following days proved to be very busy for everyone. Acappella and Madrigals kept busy performing at various high schools and churches. The band also kept occupied with various concerts and the Tulip Time parade. Sunday afternoon was the highlight for the band as well as both choirs. A concert was presented for the public at Hope's Dimnent Chapel. Much of the free time was spent relaxing in Hope's beautiful recreation facility, the Dow Center. All in all, the trip proved to be extremely successful and is sure to be one of our most vivid and pleasant memories.

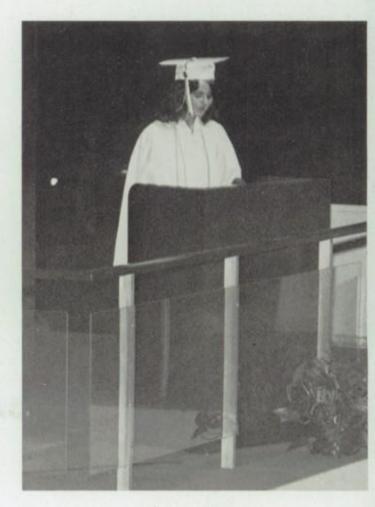

Presenting...

Towards the end of the school year, there is one word...GRADUATION. Although excitement is the main feeling associated with graduation, there are many other thoughts and emotions running through the Seniors mind around graduation. This years commencement exercises were once again held at El Dorado Park Community Church. It started with Liz Draght and Rod Struiksma escorting the 98 seniors down the aisle. After Hanne Ostergaard and Cara Ryan, co-valedictorians, gave their farewell speeches, Dale Cooper from Calvin College spoke to the graduates. The A'Cappella Choir then sang their last songs for the year. The service ended with the receiving of the diplomas and Bibles. The graduating class of 1979 then walked out the door, ready to face a new, exciting life.

CLUBS

Student Council

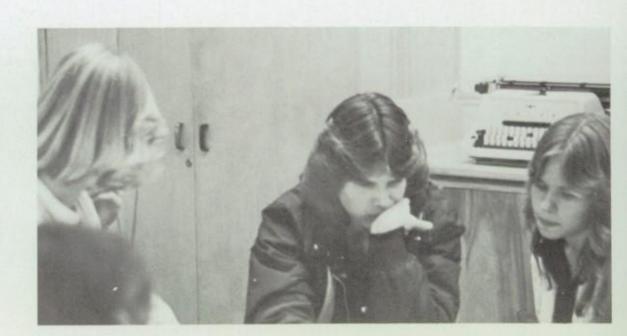

Mike Bultsma-Pres., Beth Oldenburger-Vice Pres., Kim Powers-Sec., Dawn Dy-kema-Treas.

Mr. Wassenaar-Advisor, Kim Powers, John VerMeer, Mike Bultsma, Dawn Dykema, Beth Oldenburger, Marion Brakband, Susan Vander Plas, Karen Lindsey, Cindy Rens, Ruth Wiersma, Linda Prins, Colleen Overgaauw, Jeanine Brands, Darlene Kline, Shelly Sybesma, Barb O., Nick Brakband.

This year's Student Council theme and goal was "Involvement". They achieved this goal in various ways such as plastering the halls with spirit and involvement signs. Student Council sponsored and created many successful events like Homecoming, Twirp Week, Dating Game, Brian's Song, The Mixer, and Chapels. On the whole the 78-79 Student Council did an excellent job of promoting student involvement and pride here at Valley Christian High School.

Paul Brennean, Derrick Smith, Patti Schelhaas, Rosanne Lemus, Jackie Wray, Miss Johnson (Advisor), Mike Bultsma (Co-editor), Danny Van Hofwegan, Jenifer O'Neill, Ronetta Klaassen, Marlene Van't Land, Barbara Hague, Cara Ryan (Co-editor), Leslie Sutton

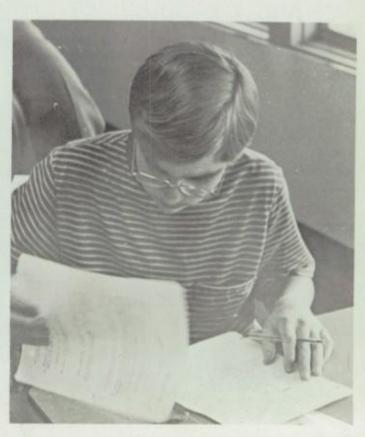

Gazette

The job of a newspaper staff is to give an accurate report of current events to its readers. At Valley, *The Gazette* staff tackles this job every year. This group of people kept the student body informed of events to come as well as reporting on things that have happened. These dedicated workers put out a newspaper three times a month. With the advice of Miss Johnson, Cara Ryan and Mike Bultsma shared the task as editors. *The Gazette* not only reported the facts, but also included interviews, poems, feature articles, and editorials.

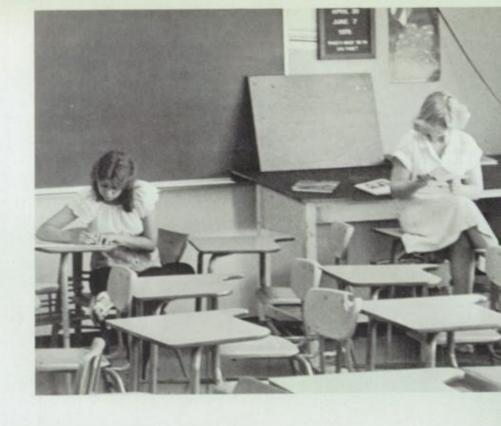

Annual Staff

Layout, copy, photography and selling adds are all important to the Crusader yearbook. Behind each of these divisions are a group of people determined to put together a book, better than the year before. Their struggles and hardships in the beginning of the year, turn to triumphs as they approach the final deadline knowing their goal is almost accomplished. Their determination is in finishing the book is well rewarded when the annual, sent away as bits and pieces is returned an organized masterpiece.

Front Row: Randy Arvizu, Beth Oldenburger, Julie Van Gent, Marty Baltzer Second Row: Joel Eskes, Valerie Vander Vegt, Karen Ahlstrom, Colleen De Buhr, Debbie Cole, Jeannette Wiersma, Barb Hage, Joey Vander Meer Back Row: David Pollard, Laura Mouw, Dick Piersma, Jake VanderVis, Rob De Kruyf

Mothers Club

One of Valley Christian High School's most loyal supporting organizations is the Mothers Club. This year, as a result of many hours of planning and holding fundraisers, the Mothers Club purchased many new items for the school system. Among the items and projects they provided for our school were refurnishing the teachers lounge and purchasing new playground and audio-visual equipment. Valley is deeply indebted to the tremendous support that the organization such as this has provided.

German Club

Seated: Phil Bollum; Marty Baltzer; Leslie Sutton; David Pollard. Standing: Susan Valentine; Mrs. Johnson; Robert Voldase.

This year brought about the beginning of a new club, the German Club. Past and present students of German met together to try out German traditions and customs. They observed the Oktoberfest and celebrated Fasching, a type of carnival. Although it's a new club, with few members, it has already proved itself to be a fun and worthwhile club.

GAA

Officers: Pres.-Marlene Kline; Vice Pres.-Diane Houtsma; Sec't/Treas.-Toni Doornbos.

The Girls Athletic Association is in the front of the battle for proper recognition for girls' athletics. The club, composed of all girl athletes, is engaged yearlong in raising funds to improve the life-style of Valley's perennially superb girls' teams. These fine athletes support their cause by running the football canteen, selling Valley nuts, and washing trucks. They celebrated their achievements with the annual banquet at the Queen Mary.

Backpacking Club

Left to right: Mr. Wassenaar; Mark Van Otterloo; Eric Goedhart; Ed Horjus.

There are a few students at Valley who really like
the outdoors. For the pleasure of these naturelovers, we have the Backpacking Club. The
backpackers' main purpose is to go out in the open
and enjoy God's creation, no matter what the cost.
Sore backs, tired feet, and blisters won't stop these
energetic people. Being led again by Mr.
Wassenaar, they spent the year backpacking,
hiking, and even skiing.

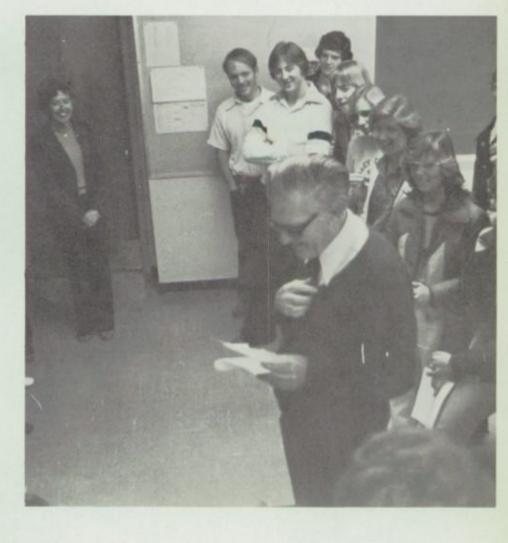

Right to Left: Ron Mathis; Craig Wheeler; Dale Parkes; Tim Van Meeteren; Barb Hague; Phil Bollom; Jon Vander Maarl.

Chess Club

One of the most successful and long running clubs here at Valley is the Chess Club. All of its members are people who concentrate and use strategic moves in a game that needs just that. Besides holding their own tournaments during lunch, they travel to other schools to compete with their chess teams. One of the most surprising things of the year was that a freshman, Phil Bollom was crowned the champ. Rev. Knowles was crowned champ by Dennis Barsam and Robert Todd who presented him with a handcrafted chess board with chessmen which they made.

Science Club

Science Club is not a club where the members sit around and do experiments, but a club which makes many excursions dealing with nature. They began this year by taking their annual whale watching trip. They also made plans to spend a day in the desert. The major goal of this club is to help the members learn more about the world that God has created.

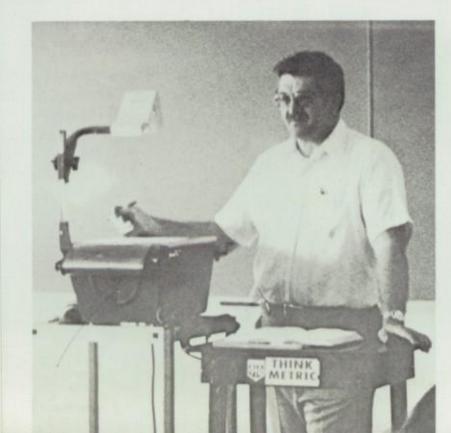

Math Club

Each year the Math Club is formed, it's officials are elected, and the traditional donut sales begin. Although they split the responsibility of selling donuts with the vocal music department this year, they still earned about 1688 dollars. Most of that money went to improving, updating, and servicing the two computer systems. Thanks to a few dedicated members, the Math Club has now computerized every high schoolers schedule. This year's Math Club proved to be very helpful and worthwhile.

"True Crusaders"

Honor Society

An unusually large number, sixtyseven, were given the distinction
of membership in Valley's
chapter of the National Honor
Society. Under the leadership of
Rev. Boertje, sponsor, and
Marian Brakband, president, the
Honor Society celebrated their
academic achievements with the
annual Scholastic Arts Banquet
and attendance at Camelot by the
Long Beach Civic Light Opera.

Drill Team

Precise movements, smiling, keeping in step and more smiling. These are some of the things that the girls belonging to VC's drill team have to remember. Whether it's on the football field during half time, or marching in a community parade, their routines have to be all but perfect. Under the leadership of co-captains Nina Anderson and Jana Vander Molen this dedicated group practices everyday working with new ideas and movements. Indeed their hard work has brought pleasure to everyone who has seen them perform.

FRONT ROW: Stacy Carter, Lynette Finley, Dana Andre, Jana VanderMolen (Capt.), Nina Anderson (Capt.), Pam Procter, Laura Mouw; SECOND ROW: Susan Hawksma, Brenda Zwart, Cindy Bakker, Gloria Meneses, Lisa Santiago, Jackie Kline, Cathy Griepsma. Flag

Once again, the flaggirls have worked hard to show their Valley pride.

Being a flag girl proved to be a full time activity. They kept busy practicing for camp, football and basketball routines and parades. There will always be memories of try-outs, camp, drooping ruffles, stiff smiles and dropping your flag. Although being a flag girl is very time-consuming and often tiring, it is an experience that will never be forgotten.

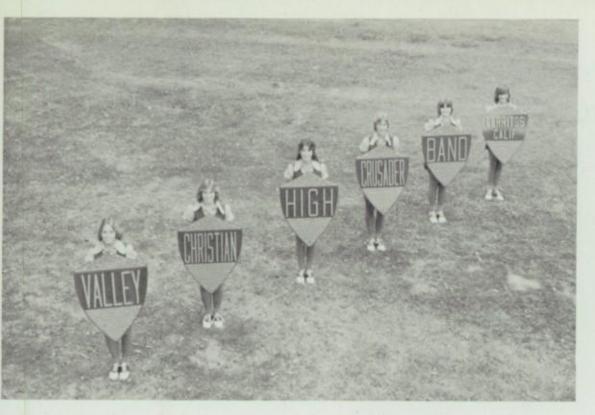

Jeannette Wiersma-Head, Dee Ann Giancaspro, Beth Oldenburger, Joey Vander Meer, Susan Bomgaars, Sue Vander Plaas

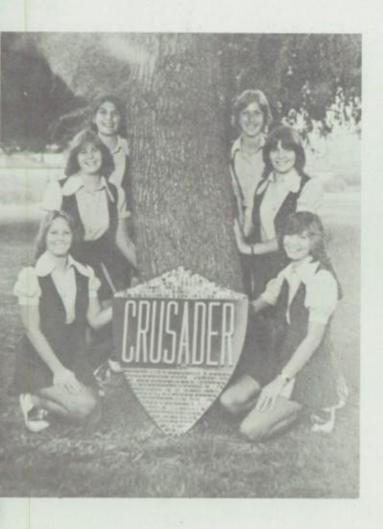

Linda Gritters, Debbie Vander Ham, Jeanine Brands, Debbie Slegers-Head, Carolyn Le Febre, Carla Eskes

I.D. Unit

What does it mean to be in I.D. at Valley? It means being proud of presenting Valley Christian in parades, but it also means some other things too- aching arms after miles of carrying your sign perfectly in line with the others, and sore feet from marching. I.D. performed in half-time shows, marched in parades, and accompanied the band to Michigan. Even though being a part of the I.D. Unit is a lot of hard work, it is an exciting thing to be in to show your spirit and pride in VCHS.

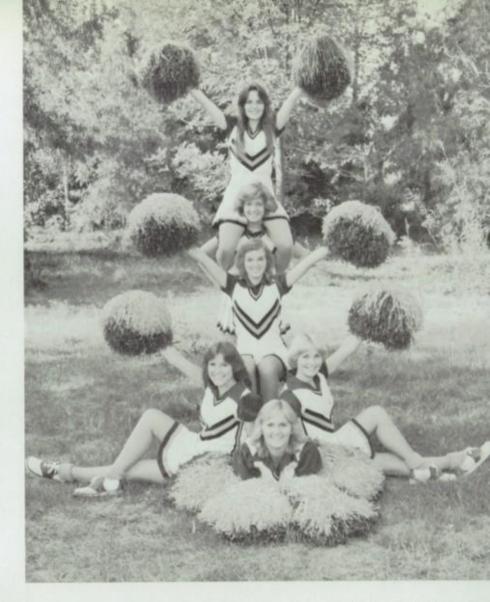

Something Special

"Something Special is what our '78-'79 varsity cheerleading squad was. A lot of changes took place in management as well as in the ranks. This year there were different head cheerleaders for each sports season. This helped to provide both variety for the spectators and a break for the head cheerleaders. This years varsity cheerleading squad was so good that they were given the opportunity to be involved in interscholastic competition. Although it took a lot of time and effort to reach this point, all of the cheerleaders agreed that it was well worth while in the end. Games certainly would not be as exciting if there were no spirited cheerleaders out in front. We wish to express our appreciation for a job well done.

Cara Ryan, Jacki Wray, Hanne Ostergaard, Tammy Miller, Lisa Doty, Janielle Oliver

Colleen Overgaauw, Thelene Vander Meer, Kelli Sybesma, Mary Postma, Janis Tiemeyer

J.V. Cheerleaders

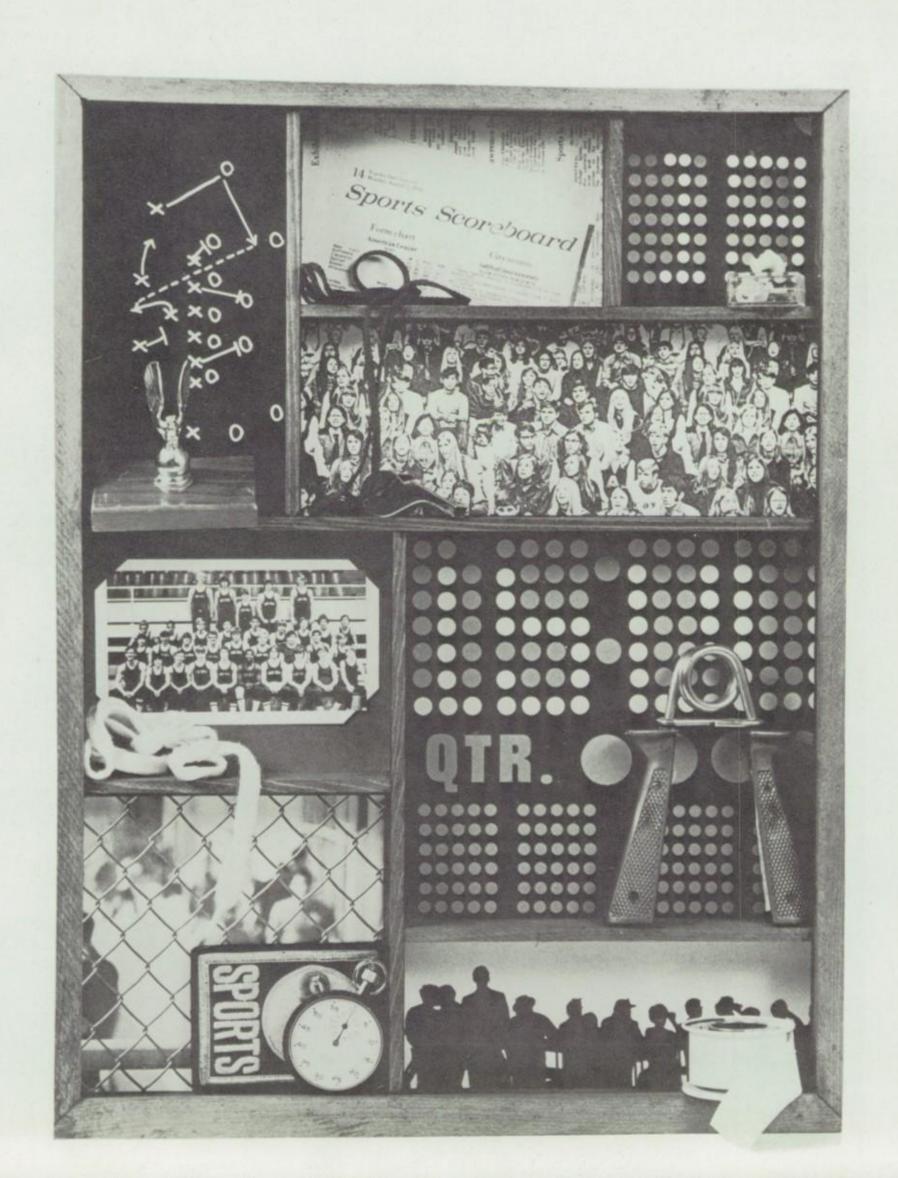

"There ain't no way we're gonna lose, because we got on our 'Boogie Shoes'!" If that sounds familiar to you, then you probably heard our Junior-Varsity Cheerleading Squad at one of our sports events. The work of a cheerleader is not as easy as most make it out to be. It takes a lot of timing, concentration, and practice. But all those involved agree that no matter how much time and effort is put into it, cheerleading is definitely a worthwhile activity.

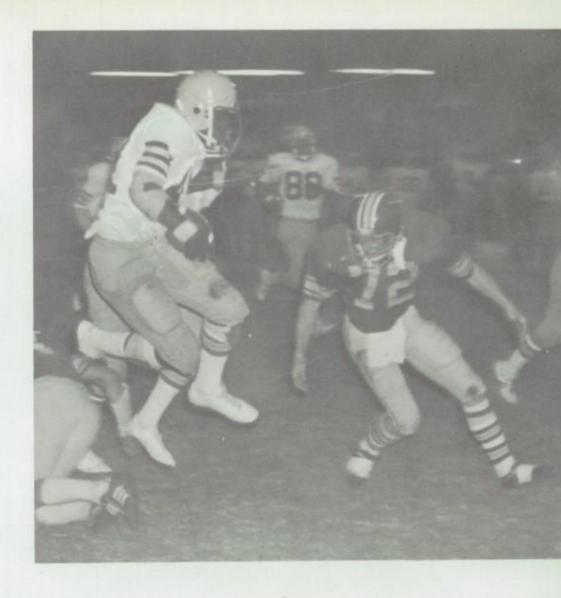

SPORTS

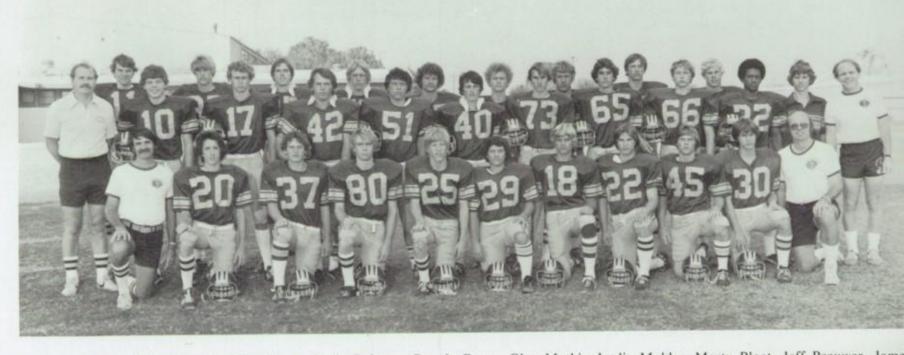

Varsity Football

They had something to prove. Before the season began, all they heard were things like "good luck, you'll need it." Fans said it would be a "rebuilding year." But afer dashing out to a 5-0 record early in the season, the members of the 78-79 Varsity Football team began turning some heads.

People changed their minds about the Crusaders, and started showing them a little respect. Despite some frustrating losses in their last two league games, the Crusaders qualified for the CIF Playoffs with their 6-3 overall record. No one will ever forget the dizzying scoring in the first half with Kern Valley, and then standing off 0-0 in the second half, as the seconds ticked away and the scoreboard spelled defeat for VC. But all through the year, these guys showed a lot of pride, dignity, and class. Whether they were winning or losing, they always played their hearts out- they gave 110% all the time.

Varsity Basketball

Coach Harold De Bie is in the process of creating a dynasty. Since he's taken over the varsity basketball program at VC, the Crusaders continue to soar to new heights every season. Over the past ten years at Valley, basketball has been a synonym for success; they continue to grasp Olympic League championships and make appearances in the CIF Playoffs.

This year's squad was no exception. A talented senior class with the likes of Michael Smith, John Vermeer, and Jeff Brouwer led the Crusaders to the CIF I-A semi-finals, snatching two tournament crowns along the way. One of their most impressive feats was taking the Olympic League title for the second consecutive year, stringing 28 victories in a row over two seasons, something never before accomplished in our league.

They were a ballclub with class- the pride of the league. The name "Crusaders" struck fear in the hearts of opponents. Impressive ... Dominant ... a Powerhouse ... you can go on and on in trying to describe them. They gave us something to be proud of, something we could put our hearts into.

Now as you read this page in the annual, linger on every word; look at each and every player and dream back on some of those exciting games, and cherish every moment, because we all must sadly realize that this proud team is now only a memory.

Varsity Soccer

Soccer teams at Valley Christian are expected to be top-match after several years of consecutive league championships. But with the graduation of the class of 78 VC's soccer program went through an experience they'd never had to deal with before-its called rebuilding. With most of the team's starters having graduated, coach Fred Wind was forced to bring up some underclassmen and to try some new people. Most soccer fans didn't really expect any kind of championship or anything, but coach Wind and his boys came through the season with flying colors, finishing in third place in the Olympic League with a 6-2-4record, and they made their customary appearance in the CIF Soccer Playoffs, although losing 5-0 to Mission Viejo in the first round. We know you had a tough season: congratulations, guys, on a job well

Baseball is not the kind of game that conjures up visions of excitement, thrills and high adventure in the average person's mind. It is a game of strategy. This year the Crusaders looked like a promising contender for the Olympic title, notching a 3-0-1 preseason record. But as league play began they started falling like flies racked with key injuries. Then little things started going wrong and as a result the losses piled up. But still they kept on trying, and for that we give Coach Wunderly and his crew a fine "Thank You."

Varsity Track

Olympians they're not-but they sure gave it one heck of a try. Boys track is one of the areas in VC athletics that is showing consistent improvement every year. One doesn't have to look too far back to find league records which label the Crusaders as cellardwellers, with no wins in the win column. So when they have a season like this one, people are impressed. With a fine group of athletes and coaches, VC's track team picked up a few wins and gave some of the league powerhouses a scare. But they've still got a ways to go before they notch a trophy year. Be patient, though, because they're getting there.

Valley's female spikers continued in their winning tradition this year. With girls like Sabrina Williams, they put outstanding marks in the CIF recordbooks. They proved themselves as one of the top 1-A girls' squads, cleaning up on their Olympic League foes and making people notice them in CIF competition. Running alongside the boys, several times the ladies stole the show with some impressive team victories. Keep it up girls, we're proud of you.

Cross Country

It's the same old story every year. They never get the recognition they deserve. Funny thing is, though, that cross country runners are probably one of the hardest working groups of athletes in Valley's sports department. It takes a special breed of human being to run a good cross country race; it's pure physical torture. You dig deep inside your body and soul for always just a little bit more, and still more when you're ready to give up. It takes skill, strength, determination, and most of all, lots of heart and pure guts. Valley's cross country members gave this kind of effort all season long and we're thankful to them for that.

Left to right: Dawn Dykema; Sheri Van Aalsburg; Cathy De Vries; Mrs. Jan Kool, coach; Jackie Rollema; Dawn Van Weerthuizen; Kathy Griepsma.

Volleyball

The success of the 78-79 Varsity Volleyball team can be best described in one wordteamwork. Despite finishing pre-season play with a 4-7 record, the ladies knew they were competitive because their losses were narrow ones to 3-A and 4-A division powerhouses. With confidence and determination, they entered league play and surprised a lot of people. Playing with lots of aggressiveness and hustle, they overcame their relatively small size and went on to secure their first share of a league championship in seven years, even though it was a co-championship with Ontario Christian, both schools having 9-1 league records. Working together and playing their best volleyball the girls won their first two CIF playoff matches with Culver City and Big Bear, but the season came to an abrupt end in the CIF quarterfinals when Cajon, the eventual 1-A champions, swept the VC girls 15-11 and 15-

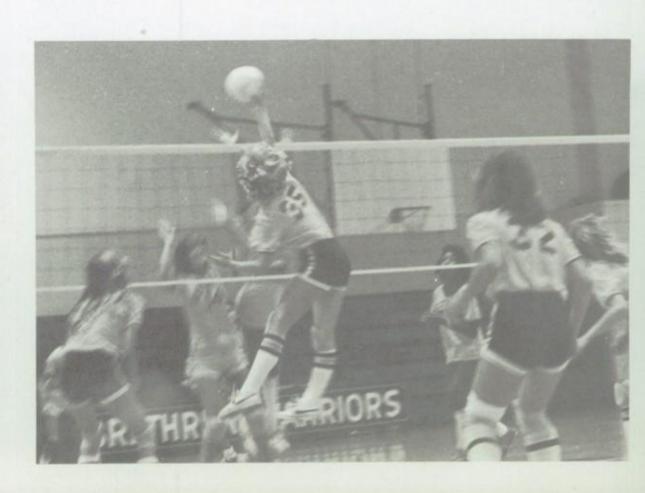

10. Overall, it was a great season, something

to be proud of.

It's the end of an era. For all the ardent girl's basketball fans at Valley Christian, the absence of outstanding senior athletes like Marlene Kline and Diane Houtsma will be a big one. The Crusaders' dynamic duo will be sorely missed, along with some other big guns like Sherry Reitsma, Toni Doornbos and other seniors. These girls led Valley again to another consecutive league crown-so many in a row it's almost impossible to count. A CIF championship, something that has eluded them the last three years, slipped away from them again, thanks to a sharp Culver City team in the CIF semi-finals. But they were still a favorite amongst other Valley teams, and we're all sad to see these girls leave. This amazing team of athletes will never be seen again; only remembered. But they'll be remembered with the fondest of memories.

Varsity Softball

Ho-hum! It was another banner year for Valley's Girls' softball team. So what else is new? Good softball teams are not something we hope for at VC, but rather something we figure on. It happened again this year with the VC girls finishing near the top again in a tough Olympic League. But it wasn't easy. With the absence of Diane Houtsma, the female hurler who has already made her mark in the CIF annuals, the girls really had to pull together. And pull together they did. They proved one of the toughest teams in an already tough Olympic League, pulling off some devastating victories. We thank them for a super job, and hope to hear more from them in the future.

8th Grade Graduation

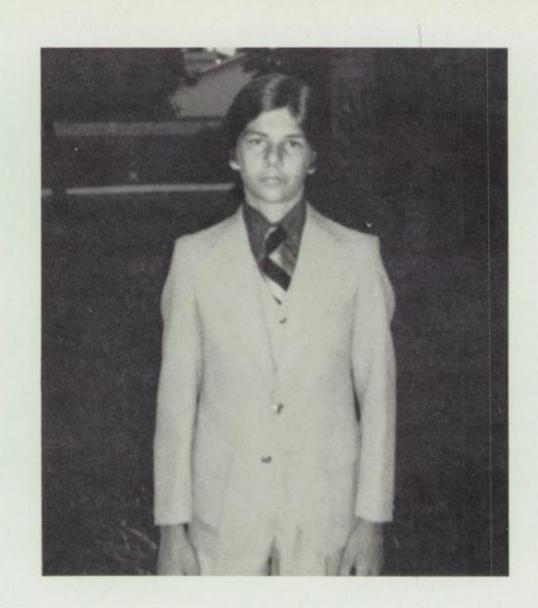

Graduation means many things to an eighth grader. Most prevailent is the fact that they are now leaving their childhood behind, and stepping into the adult world of high school. The speaker for the commencement exercises was Rev. Van Piersman. Following this, the eighth graders performed several songs. The moment all had waited for finally arrived. The diplomas were handed out, and the class of 1983 was presented. The evening was a very exciting and memorable experience for all.

Kindergarten Graduation

Graduation from Kindergarten is no fairy tale. "Mother Goose" was chosen as the graduation theme. After the presentation of the diplomas to the Class of 1991, the evening was topped off by an excellent trumpet solo by one of our youngest musicians, Shannon Gray. With the end of the program came the declaration that each student's fairy tale days were over, as now they faced the cold, cruel world of first grade.

Debbie Cole
Beth Oldenburger
Julie Van Gent
Jeannette Wiersma

and the entire Crusader Staff of 1979

Good Luck next year! Karen Ahlstrom

Crusader Editor

TO THE GRADUATES,

A world will be born under your footsteps.

May God guide your every step. We wish you God's blessing as you begin your journey.

Sincerely,

Paul & Jessica
